After a slow, slow spring, the daffodils are finally blooming! The **Daffodil Society of Minnesota's 2008 Show** has been **rescheduled** for Saturday May 17th, at the City of Robbinsdale's Public Safety Building, 4101 Hubbard Ave. N., Robbinsdale, MN.

In addition to the familiar yellow flower, daffodils are white, pink, orange, and almost red! The Daffodil Society of Minnesota's annual Spring Show is the place to see nearly 600 blooms of all color combinations, sizes, and shapes. It is a judged competitive show consisting of cut blooms and artistic floral arrangements.

Non-members are invited to exhibit in both the cut bloom (horticultural) and artistic arrangement divisions. **Daffodil blooms will be available to all Artistic Division exhibitors at no cost.** Society members will be on hand to answer questions and give show tours. Information on growing daffodils in Minnesota, sources for quality bulbs, and membership information will be available.

Contact the Show Chair for a show schedule and details regarding exhibiting: Mike Berrigan, 651-779-6372, mrberrigan@mmm.com, www.daffodilmn.org.
